Visa Skills

Australian Construction Training Services

Australian Construction Training Services (ACTS) is endorsed by Trades Recognition Australia (TRA) as a TRA Approved Registered Training Organisation (RTO). TRA is the Australian Government Organisation that is responsible for the Skills Assessment of people with trade skills gained overseas or in Australia, for the purpose of migration and skills recognition.

We are authorised by the Australian Government to offer skills assessment for people who have the trade skill gained overseas or in Australia, for the purpose of migration.

OSAP/TSS Trade Occupations List

**Construction:
Cabinetmaker**

OSAP

(Offshore Skills Assessment Program)

Applicants who need a skills assessment as part of their skilled migration visa
Eligible applicants work in a nominated occupation and hold a passport from a nominated country.

TSS

(TSS Skills Assessment Program Temporary Migration)

Applicants who need a skills assessment as part of their temporary skills shortage visa application to the Department of Home Affairs.
